NOTICE

As per the National Education Policy (NEP), **SKILL ENHANCEMENT COURSES** have become an integral part of the curriculum. These courses include Elementary Computer Application, Environmental Science and Sustainability, Mental Ability and Reasoning, as well as participation in extra-curricular and co-curricular activities such as Ranger-Rover, Red Ribbon Club, NCC, NSS, etc. Participation in activities will be evaluated from the first semester itself and the students constantly active in these events will get two credits. These credits will be incorporated in the final year, contributing to their overall percentage in the undergraduate degree.

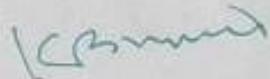

Selections for NCC and NSS have already been completed. Students interested in registration and joining their respective WhatsApp or telegram groups of Ranger-Rover and other extra-curricular and co-curricular activities may meet or contact the following faculty members latest by 20th March, 2024.

NSS - Dr. Richa Singhal (8963894508)
