Guidelines for Assignment

1. Science and BCA students are given 8 questions, which would consist of 2 questions from each unit. Students are required to answer any two questions from any unit.
2. Commerce, Arts and BBA students would be given 6 questions, 2 questions from each unit and the students are required to answer any two questions from any unit.
3. Maximum marks allotted for every paper is as per CIA marks. In Science, Commerce and Arts ($2 \times 5=10$) and in BCA ,BBA and all P.G programs ($2 \times 15 = 30$) except two papers in M.Sc. Chemistry which are for ($2 \times 7.5=15$).
4. Students to write their assignments in A4 size , lined sheets . In case of Science where there are two / three papers in every subject ,students are to write his/her assignment of all two/ three papers separately and then compile them into one single file and submit it. In Arts and Commerce where there are two papers in every subject, they have to write their assignment separately and then compile it into one file with proper mention of the heading of every paper.
5. Candidate has to mention his/her name, father's name, class, subject, paper , roll number very clearly for every paper . If received without the above mentioned details they will not be checked.
6. Students have to bring these files during the CIA Tests and they should submit the corresponding file on the day that particular paper's CIA is being held. For eg:- A student will submit his compiled 3 papers of physics assignment on the day physics CIA is held to the respective invigilators.
7. The attendance sheet of the assignment will be signed by the students during the CIA examination and the assignments will not be entertained on any other days then the scheduled examination dates.
