Guidelines for Assignment

1. Science and BCA students are given 8 questions, which would consist of 2 questions from each unit. Students are required to answer any two questions from any unit.
2. Commerce, Arts and BBA students would be given 6 questions, 2 questions from each unit and the students are required to answer any two questions from any unit.
3. Students to write their assignments in A4 size sheets and submit them stapled without any file cover In case of subjects where there are multiple papers in every subject, students are to write their assignment for each paper separately and then compile them into one single file and submit it.
4. Candidate has to mention his/her name, father's name, class, subject, paper, roll number very clearly for every paper. If received without the above-mentioned details they will not be checked.
5. Students have to submit the corresponding assignment on the day that particular paper's CIA is being held. For eg:- A student will submit his compiled 2 papers of physics assignment on the day physics CIA is held. The students are to submit it to the invigilator in the Examination Centre.
6. The attendance sheet of the assignment will be signed by the students during the CIA examination and the assignments will not be entertained on any other days then the scheduled examination dates.
