

SUBODH NEWSLETTER

June - 2025 | Volume - IX (1)

From the Convener's Desk

I welcome you to another exciting edition of college newsletter! It truly captures the vibrant spirit, creativity, and achievements of college community. I take immense pride in the dedication, the students and the staff show, making Subodh College a symbol of excellence in academics, innovation, and personal growth. The A++ grade by NAAC, UGC for the second consecutive cycle is a feather in the cap of the college, reflecting unmatched potential relating to the students and the staff. I encourage each of you to stay involved, keep learning, and seize every

opportunity that comes your way. Wishing you all ongoing success and personal development.

From the Principal's Desk

"Just as the seasons change, so do we - evolving with each new phase of life. In the quiet fall of a single leaf, there is both a touch of sorrow and a glimpse of beauty, reminding us that growth often begins with letting go."

As we step into the new academic session, I reflect with immense pride on the strides our college has made. The past year has been marked by significant achievements, the most notable being our re-accreditation with an A++ grade in the NAAC Fourth Cycle - making us the only college in Northern India

to earn this prestigious distinction. This milestone is a manifestation of our unwavering commitment to academic excellence and holistic, future-oriented education.

For over seven decades, we have been warmly welcoming students to an environment where knowledge meets value and learning sparks transformation. At Subodh, we empower students to grow into confident, compassionate individuals through rigorous academics, co-curricular enrichment, and strong moral grounding. Our students continue to excel in academics, sports and cultural pursuits, reflecting the values we cherish - resilience, curiosity and integrity.

May the journey ahead of Team Subodh be one of deep growth, meaningful discovery, and limitless horizons-as reflected in the vibrant achievements, innovations and aspirations shared through this edition of our college newsletter.

Warm regards

Prof (Dr.) Renu Joshi being felicitated by Hon'ble Governor of Rajasthan, Shri Haribhau Kishanrao Bagde.
