

**VALUE ADDED COURSE (VAC)
ASSESSMENT TEST GUIDELINES**

Participants must note that the MCQ test is mandatory. You are requested to attempt this test during the mentioned date & time. The weightage of the MCQ test is 30 marks. Since this is part of your evaluation, strictly follow the guidelines provided below:

- All participants are requested to start and submit the test between the given time of the online test.
- Each test link will remain active for a duration of 2 hours. Upon logging in, you will have 1 hour to complete and submit your responses.
- The test comprises 30 questions, each carrying equal weightage.
- Participants must keep their cameras switched ON during the entire session.
- Kindly note that after finishing up the test click on the **SUBMIT** button.
- The link to access the online test will be shared on the *student portal* only at the specified time.
- The weblink will only be operational during the scheduled online test period and will automatically close thereafter, without any possibility of reopening.
- Please ensure stable internet connectivity and have access to either a laptop or mobile device to avoid any inconvenience during the test.
