

ACHIEVERS

“A winner is a dreamer who never gives up.” -Nelson Mandela

Achievement adds a lot to one's personality. It gives wings to one's soul and a heart to fly high. Achievers are not simply achievers but torch-bearers as they hold planning in their hands and execution in their brains. We at Subodh believe in nurturing such brains and empowering such hands so that they can soar high to excellence. The college renders equal academic and co-curricular opportunities for the holistic development of the students. Fostering competitiveness is an incentive which must be provided to a young mind. Thus, the students' participation is encouraged in various co-curricular and extra-curricular activities to make them confident and self-reliant. Our students and young players have marked their victorious presence in almost all the co-curricular and extra-curricular activities at Inter-College, State, National and International level. Keeping up with the tradition of bringing laurels and accolades to the college, Subodhians repeated the triumphs in 2021-22 as well. Congratulations to the Achievers!

The college is proud of these young achievers who have added grace to the glorious journey of Subodh in extra-curricular/ co-curricular activities during session 2021-22.
