MESSAGE

“A lamp can never light another lamp unless it continues to burn its own flame.”

Rabindranath Tagore

It is with great pleasure that I welcome our existing and prospective students, along with their parents, to S.S. Jain Subodh P.G. College. Your decision to join this esteemed institution marks the beginning of a journey towards enlightenment, self-growth, and limitless possibilities. At Subodh, we are dedicated to shaping bright minds, igniting curiosity, and empowering students to illuminate the world with their knowledge and wisdom.

With a legacy of academic excellence, we are proud to have achieved an A++ grade in the NAAC Fourth Cycle, a testament to our commitment to quality education, innovation, and holistic development. Our curriculum blends academic rigor with co-curricular enrichment, ensuring students not only to gain knowledge but also to discover and refine their unique talents. As Nelson Mandela said, “Education is the most powerful weapon which you can use to change the world.” At Subodh, we believe education is not just about acquiring facts but about kindling a flame of confidence, resilience, and integrity. We instill values of responsibility and accountability, preparing students to navigate the complexities of the modern world with creativity and determination.

Our students continue to excel in academics, sports, and cultural activities, bringing laurels to the institution. We remain committed to promote a dynamic learning environment that encourages leadership, critical thinking, and perseverance—ensuring that while students spread their wings, they remain deeply rooted in core values.

As we embark on the academic session 2025-26, I urge you to embrace learning with curiosity and dedication. Just as the sky welcomes the rising sun, embrace knowledge; just as a river carves its way through mountains, persevere through challenges. Respect your mentors, uphold discipline, and nurture compassion. Your dedication will shape not only your destiny but also the legacy of Subodh.

Wishing you wisdom, growth, and boundless opportunities in the year ahead!

Best wishes for a bright and prosperous future!

MESSAGE

“Education should teach us not only how to make a living but also how to live a meaningful life with values.”

Dr. Sarvepalli Radhakrishnan

It is with immense pride and pleasure that I welcome you to explore the educational opportunities offered by our institution. At S.S. Jain Subodh P.G. College, we are committed to nurture young minds and fostering a learning environment that empowers students to realize their full potential.

As a member of the management team, I take immense pride in presenting our institution as a beacon of knowledge, growth, and transformation. This prospectus is more than just an introduction to our college; it is a reflection of our commitment in shaping a brighter future for our students.

At Subodh, we believe that education is a lifelong journey of discovery, learning, and self-improvement. Our aim is not merely to impart knowledge but also to instill the values of integrity, responsibility, and perseverance that will guide students throughout their lives. Our institution stands as a testament to the vision of fostering holistic development, combining academic excellence with co-curricular and extracurricular activities that nurture creativity, innovation, and leadership.

Education is the cornerstone of personal and societal growth, and we strive to provide not just academic excellence but also holistic development. Through a blend of innovative teaching methodologies, state-of-the-art facilities, we aim to shape our students into confident, compassionate, and competent individuals who can easily face the challenges of the future.

Students, your years at Subodh will be transformative. You will be provided with a platform to explore your potential, pursue your dreams, and overcome challenges. Our dedicated faculty is committed in guiding and mentoring you, ensuring that you achieve not only academic success but also develop critical thinking, resilience, and a strong moral compass.

Parents, we value your partnership in this journey. Your trust and involvement are key to build a vibrant community where students thrive. Together, we can create an enriching experience that equips your child with the knowledge, skills, and character needed for success.

We look forward to welcome you to the Subodh family and being a part of your journey towards excellence.

MESSAGE

"Education should be imparted with a view to the type of society that we wish to build."

Dr. Sarvepalli Radhakrishnan

From the PRINCIPAL'S DESK

"The highest education is that which does not merely give us information but makes our life in harmony with all existence."

-Rabindranath Tagore

Every academic session is new transformative journey towards building up a society, ready to embrace challenges of this ever-changing world.

I, as a convener, extend my warm welcome to each one who is the part of this small academic world. We, at Subodh, nurture young minds with knowledge aligned with recent trends in scientific developments, interdisciplinary approach and perennial wisdom of Indian Knowledge System.

NEP 2020 envisions an education system that promotes critical thinking, creativity, problem-solving, and experiential learning. The curriculum of all courses is in complete alignment with the objectives of NEP 2020. Our unwavering efforts in making 'Skill India' have been fruitful. Our students are empowered with digital literacy and industry-relevant expertise. The vision of the college is to create a roadmap for sustainable growth and learning by providing affordable high-quality education to all diverse set of students. We firmly believe to promote a conducive environment which facilitates the students to be progressive, imaginative and confident individuals. Here, learning is not confined to classrooms; it's a journey of exploration and growth. Our alumni network spans continents, binding Subodhians across generations. These successful professionals contribute significantly to our college's growth. They mentor current students, organize workshops, and support scholarships. Their achievements inspire us, reinforcing our commitment to nurturing future leaders. Our alumni are not just names on plaques; they are living legacies, embodying the spirit of Subodh.

Dear Subodhians, our college has made a beautiful niche in education field, exquisitely woven with NAAC accreditation A++ in the fourth cycle, 81st rank in NIRF and many accolades by distinguished organizations. I strongly believe that you will have an all-round development of your personality during your stay here. Make it a habit to acquire knowledge and respect your teachers and college staff. Mutual love and cooperation, discipline, focused approach, feeling of compassion and sacrifice for the nation and passion for creating a name for your college would definitely go a long way to provide you a blissful and successful life. Honesty and integrity embedded in humanistic values shall make you worthy citizens ready to lead the nation to greater heights.

My warm welcome to all who are the part of this vibrant ecosystem, and wish you bright future and success in the years to come.

(Shri V. C. Daga)
Convener
College Management Committee

Dear Students,

It is with a profound sense of humility and privilege that I address the college stakeholders as the newly designated Principal of this prestigious institute. Subodh College is an amalgamation of competent teachers, state of the art infrastructure, safe and supportive environment and provides a perfect balance of academics, sports, artistic and social opportunities. Our curriculum and practices are continually gauged and updated to match the best and meet the future needs of our students. It is our responsibility to pass on the legacy of education to our future students and help them to grow personally, professionally and socially.

We are partners in learning with our students and seek to deepen their knowledge, provide enriching and innovative learning experiences, all the while gently urging our students to come out of their comfort zones to attempt new challenges. We are strong believers in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly centering on student achievement.

The enlightened management, well-qualified mentors and adequate infrastructure that are conducive to learning will help you realize and unleash your potential. Whatever turn your life might take, I am confident that your ambitions will find their bearing at this temple of learning.

Along with the dedicated and experienced staff, I will strive hard to continue the long-lasting legacy of accomplishment established by my worthy predecessors. We, at S.S. Jain Subodh P.G. College believe in inspiring and paving the way for our students to develop their inbred qualities as academic succeeders, liberal thinkers and potent communicators. We will focus on character building, meaningful educational innovations and moral upbringing.

Be rest assured that as we leap forward, our students and their needs will always be at the centre of the decisions we make.

Together with all, I look forward to the whole-hearted co-operation and support from all stakeholders to lead this institution to greater glory. Let us give our best and make this institution a modern temple of learning through our diligence, devotion and dedication.

ACHIEVERS

"Every name in this column represents a story of dedication, passion, and perseverance."

Achievement is a cornerstone of personal growth, shaping individuals into confident and dynamic leaders. True achievers not only accomplish their goals but also inspire others to reach for excellence. At our institution, we believe in nurturing a spirit of ambition and resilience by providing a platform for holistic development—balancing academic excellence with co-curricular and extracurricular achievements.

Our students actively engage in diverse arenas, from academics and research to sports, cultural activities, and leadership initiatives.

As we celebrate their success, we take immense pride in their contributions to the rich legacy of Subodh. Their journey reflects our ethos of perseverance, passion, and continuous learning. We congratulate our achievers of the 2024-25 session for their outstanding performance and wish them continued success in all their future endeavours.

Subodh's achievers are not just creating history—they are shaping the future!

NATIONAL EDUCATION POLICY - 2020 & AUTONOMY

S.S. Jain Subodh P.G. College, Jaipur, stands as a premier center for teaching, learning, and research, earning national acclaim in the realm of higher education. Since gaining autonomy in 2013, the college has consistently set benchmarks of excellence, solidifying its reputation as a leading institution of higher learning. It has served as a guiding light for students, fostering their growth into globally competent citizens and contributing to nation-building. By designing its own undergraduate and postgraduate curricula, the college has demonstrated exceptional performance during its decade of autonomy. The student-centric approach has emphasized academic flexibility, innovation, and employability, making the curriculum both dynamic and relevant.

The college has successfully implemented the Choice-Based Credit System (CBCS), a transformative initiative in line with the National Education Policy (NEP). The curriculum has been reframed to adhere to these guidelines, with significant changes introduced in the evaluation system. Value-added courses have been expanded, along with new interdisciplinary streams, generic electives, and skill enhancement courses, all tailored to meet the diverse needs of students. This restructuring aims to enhance student communication, learning, and employability. A transparent grading system has been introduced, incorporating credits into marksheets along with SGPA calculations. The credits are stored in the Academic Bank of Credits (ABC), enabling students to transfer them between institutions, facilitating academic mobility and aligning with global standards for recognizing academic achievements.

Under CBCS, the college has established a uniform grading framework, simplified evaluations while providing a common benchmark for assessing student performance, particularly for potential employers. The first two semesters under this system have been successfully completed, highlighting the institution's dedication to holistic and modern education.

The CBCS framework at S.S. Jain Subodh P.G. College reflects its ethos of inclusivity and flexibility, empowering students to pursue their passions, refine their skills, and chart their academic paths. By adapting to the evolving educational landscape, the college not only meets contemporary demands but also sets a standard for other institutions to embrace choice-based education.

The advantages of autonomy must be made self-evident. The following autonomy merits contribute tremendously to improving teaching learning process and display autonomy as a Choice Based Credit System (CBCS) in academics for the holistic and all-round development of the students.

- Acts as an instrument to promote academic excellence
- Incorporates semester scheme in all undergraduate and post graduate courses
- Offers freedom in making choice of courses as per NEP 2020
- Facilitates wide choice in subjects and a range of electives as per CBCS
- Improves the standards of teaching methodology, examination and research

FIST SCHEME

The Scheme “Fund for Improvement of S&T Infrastructure (FIST)” is intended to provide basic infrastructure and enabling facilities for promoting R&D activities in new and emerging areas and attracting fresh talents in institutions and millennium initiative of DST for promoting research in STEM. S.S. Jain Subodh P.G. College has been selected among the 16 colleges of India by Ministry of Science and Technology, Government of India for the grant in 2021.The current emphasis of the immensely successful FIST programme is orienting one and all towards the goal of Atmanirbhar Bharat by providing accessibility to the R&D infrastructure facilities.

Bachelor of Science (B.Sc.) Mathematics/ Biology Group

“Scientists have become the bearers of the torch of discovery in our quest for knowledge.”

– Stephen Hawking

Optional Subjects : Mathematics Group: -Physics/ Chemistry /Mathematics / Computer Applications/ Statistics/ Geography/ Economics

Biology Group : Chemistry/Zoology/Botany/Biotechnology / Microbiology/Psychology

Ability Enhancement Compulsory and Skill Enhancement Courses (AECC and SEC)

I Semester : General English & Value-Added Course (Elective)

II Semester : General Hindi & Value-Added Course (Elective)

III Semester : Elementary Computer Application (Theory & Practical), Value Added Course (Elective) & Generic Elective Course (Elective)

IV Semester : Environmental Study, Value Added Course (Elective) & Generic Elective Course (Elective)

V Semester : Mental Ability and Reasoning & Value-Added Course (Elective)

VI Semester : Anandam-Joy of Giving / NCC/ NSS/ Rovers and Rangers/ Sports/ Red Ribbon Club/ Extracurricular/ Co-curricular activities and Value-Added Course (Elective)

Eligibility : 10+2 with 48% from Rajasthan Board / CBSE from Rajasthan state and 60% for CBSE or any other equivalent recognized Board from other State

Duration : Six Semesters (Three Years)

Affiliating Body : University of Rajasthan

DEPARTMENTS OFFERING POST GRADUATE COURSES

Programme offered : Master of Science (M.Sc.) Physics/Chemistry/Mathematics/Statistics/Botany/Zoology/Microbiology/Biotechnology/Psychology/Environmental Science/Geography

Eligibility : 10+2+3 with 55% from any recognized University in Concerned Stream

Duration : Four Semesters (Two Years)

Affiliating Body : University of Rajasthan

Department of Physics

“Physics is the most fundamental and all-inclusive of the sciences, and has had a profound effect on all scientific development”

– Richard Feynman

- ★ Established in 1954.
- ★ It offers Ph.D. programs, Affiliated with the University of Rajasthan
- ★ Supported by advanced facilities such as XRD, FTIR spectrophotometer, Battery Tester, UV-Vis Spectrometer, Spin Coater, Vector Network Analyzer (VNA), Sievert Spectrometer for Hydrogen Adsorption, Hydraulic Press Unit, and other cutting-edge instruments.
- ★ The Indian Association of Physics Teachers (IAPT) conducts the annual National Graduate Physics Examination (NGPE) for undergraduate students within the college premises. Based on academic performance, selected students are sent to reputed institutes for research projects and internships each year.

Department of Chemistry

"The country which is in advance of the rest of the world in chemistry will also be foremost in wealth and in general prosperity." **-William Ramsay**

- ★ Established in 1954.
- ★ Offers programs in B.Sc., B.Sc. Chemistry, M.Sc. with specialization in physical and organic chemistry
- ★ Department conducts annual exam organized by Association of Chemistry Teachers (ACT), c/o Homi Bhabha Centre for Science Education, Mumbai (CONTECH) for undergraduate students to assess the conceptual understanding in chemistry. Deserving students are selected for Summer Fellowships like POCE, JNCASR Bangalore etc.

Department of Mathematics

"Mathematics is not only real, but it is the only reality."

-Martin Gardner

- ★ Established in 1954 and elevated to a postgraduate department in 1993
- ★ Specialized fields viz. Fractional Calculus, Analysis, Operations Research, Special Functions, Differential Equations, Fluid Dynamics, and Relativity
- ★ Interdisciplinary research with departments of Physics, Botany, Zoology, Chemistry, and Computer Science

Department of Zoology

Unravel the mysteries of the animal kingdom within the Department of Zoology, where passionate researchers and curious minds delve deep into the fascinating world of creatures great and small, exploring their evolution, behaviour, anatomy, and vital role in our ecosystems – embark on a journey of discovery with us, where every creature tells a story!

- ★ Established in 2014.
- ★ Offers programs - B.Sc. degree, Honours, M.Sc. and Ph.D. program in various areas, including Animal Physiology, Ecology, Evolutionary Biology, Radiation Biology, Reproductive Biology, Cell and Molecular Biology, Toxicology, Cell and Molecular Biology, Genetics etc.
- ★ The department has advanced instruments like Gel-doc, automatic tissue processor, XRD, ultracentrifuge, RT-PCR etc.

Master of Science (M.Sc) in Forensic Science

Post Graduation in Forensic Science is committed to enhancing education, research, and professional training in forensic investigation. It includes essential disciplines like Forensic Biology, DNA Profiling, Crime Scene Management, Cyber Forensics, and Ballistics. Emphasizing practical training, students acquire hands-on experience through laboratories, simulated crime scenes, internships, and workshops led by experts. After completion, individuals are equipped for roles in government laboratories, law enforcement agencies, cybercrime units, legal firms, private forensic facilities, hospitals, and research institutions. By integrating theoretical knowledge with practical forensic applications, the Programme under cultivate competent professionals prepared to contribute to criminal investigations and the justice.

Semester I

P.No.	Course Title	Course Category	Credits
1.	Fundamentals of Forensic Science	DSC	4
2.	Forensic Criminology	DSC	4
3.	Analytical Instrumental Techniques	DSC	4
4.	Forensic Pharmacology	DSC	4
5.	Forensic Lab Course I	DSCP	6
6.	Project/ Seminar	DSCP	6

Semester II

Department of Botany

Botany: Plant seeds of happiness, hope, success and love; it will all come back to you in abundance. This is the law of nature Botany is a fascinating field of study that offers insights into the biology and ecology of plants, their importance to the environment and society, and the challenges we face in managing and conserving plant populations. Botany allows students to explore plant life on earth from the molecular to the supra organizational level, with a focus on plant systems and processes.

- ★ Established in 2014 and upgraded as post graduate department in 2016.
- ★ Research centre in subject Botany approved by University of Rajasthan in 2024.
- ★ Advanced instruments viz. Plant growth chamber, UV -visible Spectrophotometer, Incubator shaker, Ultra centrifuge, Laminar Air Flow, Microtome, Optical Binocular Microscope, Monocular compound microscope, dissecting microscopes, Water Bath, Weighing Balance, Gel electrophoresis units etc.
- ★ Other features-Small Museum, Botanical Garden, Herbarium, Vermi-compost Beds and Hydroponics

Department of Environmental Science

“Let's Nurture The Nature, So That We Can Have A Better Future” - Anonymous

- ★ Established in 2005 with Environmental Studies as subject at all undergraduate levels and upgraded to the postgraduate level in 2009.
- ★ Offers Post Graduate Diploma in Industrial Safety, Health, and Environmental Management (PGD-ISHEM), Water Harvesting and Management System (PGD-WHMS), and Environmental Audit, ISO & Sustainable Development (PGD-EAISDC).
- ★ The department has a well-equipped laboratory with modern facilities and sophisticated instruments to measure a wide range of environmental parameters.

Department of Microbiology

"It's the start of a new era, when people are finally ready to embrace the microbial world." - Ed Yong

- ★ Established in 2019, dedicated to nurture students with a comprehensive education in frontier areas of microbiology.
- ★ Advance instruments like ELISA Reader, PCR-thermocycler, BOD Incubator, cooling ultra-centrifuges, LAF station, Spectro-photometer, UV transilluminator etc.
- ★ Covers vast areas such as Medical Microbiology, Industrial and Pharmaceutical Microbiology, Agricultural and Environmental Microbiology, Genetic Engineering, Biosafety, Bioethics, IPR.

Department of Geography

“Geography is concerned to provide an accurate, orderly, and rational description and interpretation of the variable character of the earth's surface”. - Richard Hartshorne

- ★ The department offers courses in B.A., B.Sc., M.A., M.Sc., and B.A.(Geography).
- ★ Modern technologies such as Total Station, GPS, and Remote Sensing have been incorporated into the curriculum to enhance learning.
- ★ The department has four advanced laboratories equipped with state-of-the-art instruments and teaching materials.

Department of Statistics

Statistics is the art of learning from data." – David Salsburg

- ★ Offers programs – B.A., B.Sc. and M.Sc.
- ★ As the foundation of data science, statistics offers the essential methods and techniques to derive meaningful insights from data. It is integral to data exploration, hypothesis testing, regression analysis, experimental design, sampling, data visualization, and machine learning.
- ★ Fully equipped with the necessary tools and techniques for data collection, analysis, and interpretation.

Professional Courses

Department of Computer Science

The department aims to produce versatile students ready for employment in the Industry/Government Sector and for Higher Education/Entrepreneurship. The department is offering Post Graduate programme in Computer Science via Master of Computer Application (MCA), Master of Science in Information Technology (M. Sc. - IT), Master of Science in Cyber Security (M. Sc.-CS), Master of Science in AI and Data Science (M. Sc. – AI & DS), Post Graduate Diploma in Computer Application (PGDCA) and an undergraduate programme, Bachelor of Computer Application (BCA) and B.Sc. Computer Science.

Peculiar Features

- ★ IBM Series High Volume Rack X3630 M4 Intel® Xeon CPU E52420 1.90 GHz (2 Processor) 32 GB RAM, 1 TB Hard Disk Drive with RAID 5 and Dell EMC R550 Rack Server Intel® Xeon Silver 4310 CPU @2.10 GHz (2 Processors), 128 GB RAM, 1TBX4 = 4TB SSD Storage RAID-6 Servers.
- ★ Computer systems in various labs are interconnected, protected and managed by central server aptly secured by UTM Firewall
- ★ Special in-house project training on a particular technology for B.C.A. VI Semester
- ★ Internet & Wi-Fi Facility
- ★ Departmental library is enriched with more than 10,000 books
- ★ Securing First Position in QIV (Quality Index Value) from consecutive 5 Years
- ★ Students Secured Merit Positions continuously in RTU Kota
- ★ 14 Faculties are Supervisors at RTU, Kota

Course offered

(1) Doctor of Philosophy (Ph. D.) in Computer Application ADMISSION PROCEDURE

The admission to the Ph.D. programme is done through RTU Doctoral Admission Test (RTU-DAT) every year by the Rajasthan Technical University (www.rtu.ac.in).

The DRC conducts the interview of the qualified applicants in order of the merit of RTU-DAT and supervisor(s) are allotted to them on the basis of subject, interest area of the applicant and mutual consent of supervisor(s).

(2) Course offered : Master of Computer Application (MCA)

Eligibility : BCA/B.Sc. (IT)/ B.Sc. Computer Science/ Bachelor's Degree in any stream. Minimum of 50% marks (45% marks for SC/ST), Selection criteria on the basis of RMCAAP

Duration : Two Years (Four Semesters)

Beyond The Classroom

GAMES & SPORTS

“One thing about championship teams is that they're resilient. No matter what is thrown at them, no matter how deep the hole, they find a way to bounce back and overcome adversity.”

-Nick Saban

At our college, we strongly believe in the holistic development of students, and sports play a crucial role in fostering discipline, teamwork, and physical well-being. Our Games and Sports Department is well-equipped with modern facilities and professional coaching to encourage students to participate in various sports activities at recreational and competitive levels. It is our dedication which is visible in the remarkable feats of achievement of our students in sports; they excel not only at state level but also at national as well as international level.

To nurture sporting talent, we organize inter-college tournaments, and fitness and wellness camps, providing students with opportunities to showcase their abilities at state and national levels. Scholarships and special training programs are available for outstanding athletes, supporting their aspirations in professional sports.

With expert coaching, top-notch infrastructure, and a commitment to fostering a culture of fitness, our Games and Sports Department ensures that students not only excel academically but also build resilience, leadership, and a lifelong appreciation for physical activity.
