

S.S. JAIN SUBODH P.G. COLLEGE, JAIPUR
(AUTONOMOUS)

SCJ/NOTICE/2026-27/ 334

Date: 13.05.2026

NOTICE

This is to inform all students who have still not submitted their Internship Certificates and related documents that repeated reminders have already been communicated through:

- Phone calls
- Messages
- Personal communication by mentors and department faculty

Despite continuous follow-up, several students have failed to complete the mandatory submission process.

Students are hereby instructed to submit all pending internship documents immediately, as internship completion and documentation are compulsory under University NEP guidelines and essential part of academic credit requirements.

Please note the following very clearly:

1. Submission of Internship Certificate and related records is mandatory under NEP norms.
2. Non-submission will be treated as incomplete fulfillment of internship requirements.
3. In case of non-compliances marksheet and degree will not be issued.
4. Treat this as a last reminder.

Students are therefore directed to complete the submission process without any further delay and coordinate with their mentors/department immediately.

Prof. (Dr.) Renu Joshi
Principal
